

Publications Released in January 2012

Below are links to product-related documents published during January 2012. Included are new and revised brochures, catalogs, data bulletins and instruction bulletins. These publications contain the most accurate, up-to-date information available. They may also reflect new features, expanded product lines, and globalization efforts.

AC Drive and Soft Starts – Automation Products – Circuit Breakers – Electric Vehicle Charging – Lighting Control – Power Monitoring and Control – Sensors, Electronic – Square D Services – Surge Protective Devices – Switchboards

AC Drive and Soft Starts [Back To Top](#)

Altivar 12 Brochure 8800BR0902	Brochure <p>Save time, money and energy with the only compact drive that offers best-in-class motor performance, a ten-year service life and an intuitive user interface in an attractive design, so good looking it's suitable for consumer and industrial machines—that's the Schneider Electric Altivar 12!</p>
S-Flex Brochure 8800BR1104R10/11	Brochure <p>The best drive for commercial pump and fan applications.</p>
AC Drives And Soft Starts Pricing Guide 8800PL9701R11/11	Price List <p>Price guide for AC drives and soft starts.</p>

Automation Products [Back To Top](#)

 Phaseo power supplies ABL1, ABL7 and ABL8 Catalog 2011 DIA3ED207041EN-US	Catalog <p>This 62 page catalog provides detailed product information about Phaseo™ ABL1, ABL7 and ABL8 electronic switch mode power supplies, including: selection guides, product descriptions and product reference index.</p>

Circuit Breakers [Back To Top](#)

PowerPact H-, J-, and L-Frame Circuit Breakers 0611CT1001	Catalog <p>Catalog for the PowerPact™ H-, J-, and L-frame molded case circuit breakers.</p>
 Shedding Non-Priority Loads with PowerPact H-, J-, and L-Frame Circuit Breakers with Micrologic Trip Units 0611DB1107	Data Bulletin <p>Shedding loads with H/J/L MCCBs.</p>
 Dead Tank Outdoor Vacuum Circuit Breaker, Type VOX 6065-13	Instructions <p>Instructions for installation, operation, and maintenance of Type VOX outdoor vacuum circuit breakers manufactured by Schneider Electric.</p>

Electric Vehicle Charging [Back To Top](#)

 EVlink Electric Vehicle Charging Solutions Brochure 2800BR1101R10/11	Brochure <p>Schneider Electric has developed a comprehensive portfolio of EVlink Electric Vehicle (EV) charging infrastructure, smart-grid integration, services and management in one complete solution to help speed adoption of EVs globally. The solution includes charging stations for residential, commercial, and fast-charging applications.</p>

Lighting Control		Back To Top
C-Bus Essentials Brochure 1200BR0904R08-11	Brochure Information on C-Bus™ keypads, touch screens, audio, etc. Includes Wiser™ controller as well.	
New! High Bay Occupancy Sensor Selection Guide 1200SM1101	Support Manual High bay occupancy sensor selection guide.	
New! Cassia Energy Management System 1280SM1101	Support Manual Cassia energy management system flyer.	

Power Monitoring and Control		Back To Top
New! ReactiVar AV5000 Automatic LV Capacitor Banks 5830HO0701R10/11	Handout The AV5000 low-voltage capacitor system provides the benefits of a centralized solution at an attractive cost for most small to medium industrial, commercial and institutional users.	
ReactiVar AT6000/AT7000 transient-free reactive compensation system 5870HO1101	Handout Transient-free reactive compensation (TFRC) systems are suitable for nearly all electrical networks and are ideal to correct poor power factor in electrical networks with a high concentration of electronic loads. Depending on the level of harmonic producing (non-linear) devices on the network, two TFRC systems are available: the AT6000 anti-resonant (detuned) system and the AT7000 filtered system.	

Sensors, Electronic		Back To Top
New XUY Roller Sensors for Packet, Boxes, Letters on Roller Conveyors 9006BR1102	Brochure Eight page brochure describing the new XUY roller sensors for packet, boxes, letters on roller conveyors.	

Square D Services		Back To Top
Upgrade Masterpact M-Series Circuit Breakers with Masterpact NT/NW Retrofill and Plug & Play Solutions 1910HO1029R11/11	Handout Upgrade Masterpact™ M-series circuit breakers with Masterpact NT/NW retrofill and plug & play solutions.	

Surge Protective Devices		Back To Top
Residential Surge Protection Brochure 1300BR0301R05/09	Brochure Learn how to protect your home from power surges.	

Switchboards		Back To Top
Power-Style QED-2 Switchboards 80043-055-10	Instructions Instructions for the proper installation, operation, and maintenance of Power-Style™ QED-2 switchboard equipment. Included is information on the Series 2 design.
